2 HELP 2 then 4 Go Plastic Zero and who want to build the business

1 The Approach Master a simple opener

First: Compliment (Say Something Nice)

"I've always wanted to do business with you"

"You and I work well together"

"I know you're all about a good cause"

2nd: The Pitch

"I've just discovered a business that checks every box for me. It's born from the massive global plastic-waste crisis and the new circular-economy laws that force polluters to pay. Bottom line: I can help clean the planet and make money doing it. Interested in a quick 8-minute overview?"

2 The Presentation

2. Recorded Presentation

3 The Enrollment

A Simple Question

"Do you see the power of how by joining our movement, we can leverage this circular economy to both save the planet and generate a solid income at the same time?"

Answer:

1. **Yes:** Sign them up
2. **No:** Understood, I'd imagine you at least want to benefit from cleaning some of your plastic footprint as a customer
